**PARKING:** By unexpected surprise, the Nashville Chamber of Commerce decided to have their breakfast at 8:30 a.m. at our location, too. Unfortunately, many of the on-site spots will be taken by this large group. After 9:30 a.m., we expect those spaces to open up. Fortunately, we've been able to negotiate plenty of parking in several areas.

**ST. ANN'S EPISCOPAL:** Enter the gated area via Woodland Street. We can park in their main lot in front of the church, too, however, we must leave a minimum of 10 spaces closest to the church. Please do not park in the spaces closest to the church.

**FIRST CHURCH OF THE NAZARENE:** Enter the lot marked "B" via Woodland Street. We have this entire lot.

**FIFTH & MAIN SITE:** You may find parking in the garage under the complex. You will take the elevator to the "L" level and find registration immediately. East of 5th & Main, there is a large gravel lot for our use, too. Additional spaces are located around all perimeters of the building.

**EAST PARK COMMUNITY CENTER:** While we CANNOT park in East Park's private lot, there are several parallel spaces around the perimeter.

**GENERAL STREET PARKING:** Most of the streets to the south of 5th & Main have generous parallel spaces in the general neighborhood. Your best bets will be along Russell and Fatherland. Streets marked 6th, 7th and 8th also have public parking.

**WALK FROM DOWNTOWN HOTELS:** Many state employees park in a lot near St. Ann's Episcopal and walk across the Woodland Street bridge to work in downtown. If you are staying at the Ramada, Day's Inn or the Stadium Inn you are easily within a comfortable walk. Guests staying at the Courtyard will have a 10-15 minute walk across Woodland Street Bridge to the venue. Expect a cab to cost \$4-\$5 from this location. If you are staying at any of the bed and breakfasts, they are all within walking distance.

**LUNCH TIPS:** On-site, Alium and Otters are easy access, however, feeding our masses may be a bit of a challenge. You will have an hour for lunch. In the neighborhood, you may be able to get in-and-out at the following places within one mile of the venue (none are within quick walking distance): Calypso Cafe, Marche, Batter'd & Fried, MadDonna's, Nuvo Burrito and Drifter's BBQ.
